

CHIN SAKDA

FRONT-END DEVELOPER

c.sakda.chin@gmail.com | +855 71 416 6656

PROFILE

Computer Science graduate with a strong foundation in front-end and full stack development, passionate about building scalable web applications and continuously expanding my technical skill set.

PROFESSIONAL SKILLS

- Programming Languages: HTML, CSS, TypeScript, JavaScript
- Version Control: Git, Github (branching, pull requests, collaborative workflows, CI/CD workflows)
- Frameworks/Libraries: TailwindCSS, NextJS, Unit Testing
- Design Process: Interactive Design, Responsive Design
- Backend: Node.js, PostgreSQL, Express.js, MongoDB

PROJECTS

2024

- Portfolio | **Github Repo** | **Live Demo**
 - Engineered a high-performance portfolio website using Next.js and React component architecture.
 - Developed a modern, mobile-first UI with Tailwind CSS, ensuring 100% responsiveness across all devices.
 - Integrated GSAP ScrollTrigger to implement smooth, high-end scroll animations that enhance user engagement.
 - Deployed and optimized the site for speed and SEO, achieving high performance scores.
- Restaurant Management System | **Github Repo** | **Live Demo**
 - Developed a full-stack restaurant management application utilizing the MERN stack and Next.js.
 - Integrated Socket.io to enable real-time data synchronization between guest orders and the kitchen display system (KDS).
 - Implemented secure user authentication and robust database management using MongoDB and Express.js.
 - Architected a clean, scalable codebase to handle complex state management for multiple concurrent orders.

EDUCATION

Bachelor of Computer Science
Royal University of Phnom Penh (RUPP)

2023 - 2026
